

The CONUNDRUM Scarf Measuring Guide

All measurements are approximate. Feel free to improvise your own size and see what you come up with!

Mid-length scarf (shown in first image on this blog post):
Width=16" Length= 26"

Long scarf (need about 2 yards of fabric, or piece it together from smaller pieces):
Width=16" Length= 54"

Short scarf/headband:
Width=14" Length= 22"

Wrist cuff (I recommend using knit to give it enough stretch to get over your hand. Recycled t-shirts are perfect!):
Width=4" Length= 8"
